Our Unique Products

MCC at Colombo

We have regular, direct console boxes to Switzerland from major Indian ports (ICD Delhi, Mumbai, ICD Tirupur & Tuticorin). However, in places where direct traffic to Europe is not possible (Nepal, Pakistan, Bangladesh and few Indian ports like Kolkata & Chennai), our nominated Swiss cargo is moved to our Colombo hub and from there it sets off, having been re-loaded into groupage containers (most successful product developed about 5 years back - the MCC operation at Colombo).

Euro-Distribution Service
